I think I'm rewarded for having gotten out of bed this morning, is what I think.

Totally hot. Athletic, confident, beautiful, accomplished. And can get both feet behind her head!

So don't go buying it for yourself.

...

...

I might even let you borrow it sometimes. That is, if I were to have one.

Birthday, birthday, who's got the birthday?

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Too soon?

Is this conversation grounds for workplace harassment? Not my half of it, of course.

Next time I walk into the local office, I'm going shirtless to make sure I comply with y'all's dress code

Dude. Starvation makes you weird.

Even if you're doing it to yourself on purpose, by choice, because your job requires it.

I was good until the double-jointed knees. I know how knees are built. That there? That gave me the heebies.

In spite of the feet-behind-the-head factor.

But then she did the snake thing, and *sold*.

If you knew what I was thinking, you would sell me to the gypsies.

Thank god you're not psychic.

[Lunga](#) is her name.

I dunno about crazy, but I suspect Chaz might be disappointed -

How does a snake-girl maintain herself? She says she eats very healthily: no carbohydrates, hardly any meat, and chocolate only once a week.

"I have to keep my weight straight," she adds, adding, very tactfully: "My mother is not a small person."

Hard to cook for a person who is on that restricted a diet. Not impossible (Moosewood cookbook ftw!) but kinda unsatisfying. Or that might just be the meat + fire = Good caveman in me....

(O hai. I founded u on internetz. Blame teh Bear person - she friended you, I readed you, looks intersting. :-)
